Vaughan, Ontario --- July 10, 2007

Miele is proud to be involved for a second year with the Collingwood Horse Show, taking place this August in Collingwood, Ontario. The festival will be celebrating its twenty-first anniversary.

The Collingwood Horse Show will showcase the highest standard of show jumping competition. The two-week Horse Show features the 'Collingwood Festival' from August 8-12 as well as the 'Kubota Collingwood Classic' from August 15-19. The show attracts international-calibre show jumping competitors including Olympic, World Championship and Pan American Games veterans.

The focus during the weekdays of the 'Collingwood Festival' will be on hunter classes, while the weekend will feature show jumping competitions and courses. The 'Kubota Collingwood Classic', part of the Kubota Cup Show Jumping Series, will feature one of the richest show jumping weekends in Canada.

The \$50,000 Miele Grand Prix will be held on Saturday, August 18th, during the 'Kubota Collingwood Classic'.
