Miele S4 Contour

Vacuum Cleaner

All of our German engineered vacuum cleaners are quiet, stylish, and incredibly powerful. Plus their superior suction, state-of-the-art filters and HEPA certified sealed system trap 99.9% of dust particles. The S4 Contour light-weight compact vacuum cleaner performs exceptionally on smooth surfaces.

Miele

Light-weight and powerful vacuum

At only 6.5 KG (14 lbs), the Hera is a breeze to carry anywhere. It's compact size makes it perfect for storing in tight places, and since it is a Miele, you get these advantages together with a powerful 1200 W Vortex™ motor.

Six-level power adjustment

The Six-level Power Adjustment is intended for different types of surfaces, such as rugs, carpets, drapes or hard floors. The intuitive graphic display indicates the power level best suited to each type of surface.

Parking attachment

The parking attachment means that you can store the hose and suction tube securely on the vacuum cleaner when it is standing upright. It is easy to carry and convenient for storage.

Excellent maneuverability

The three smooth-running 360° castor wheels mounted on steel axles ensure maximum stability and maneuverability for your vacuum cleaner. They are cleverly designed with a travel ramp to help you manoeuvre your vacuum cleaner easily over thresholds and around obstructions.

Miele S4 Contour

Vacuum Cleaner

KEY BENEFITS

AGILITY

When designing our light-weight vacuum cleaner family, we evaluated the design from every angle, incorporating 3-point steering and a travel ramp.

- Maximum agility
- Durable bumper strip for protection

CONVENIENCE

With a whole host of practical features, the S4 Contour is the effortlessly convenient vacuum cleaner.

- Designed with fully integrated on-board accessories
- Parking system for quick breaks
- Easy setting with Six Step Dial

PERFORMANCE

The S4 Contour boasts excellent cleaning performance, and its compact size is particularly beneficial in smaller homes.

- An impressive 1200 W of suction power gives exceptional cleaning performance
- An operating radius of up to 9 metres (29.5 feet)

HYGIENE

The S4 Contour has an excellent filtration system and a dustbag designed for first-class hygiene.

- A filtration system that locks dust particles in an air tight casing
- The 3.5 litre dustbag is designed to deliver optimum hygiene control
- Each bag consists of 9 layers of fleece material

RELIABILITY

Like all Miele products, the S4 Contour has been designed and tested for long-term reliability.

- Designed for up to 20 years of use

The Miele Gallery

Miele Galleries are training and consultation centres open to the public located in three cities across Canada: Toronto, Montreal, Vancouver and Calgary. For detailed information, please visit our website at miele.ca.
