

Miele S4 Momentum

Vacuum Cleaner

All of our German engineered vacuum cleaners are quiet, stylish, and incredibly powerful. Plus their superior suction, state-of-the-art filters and HEPA certified sealed system trap 99.9% of dust particles. The S4 Momentum lightweight compact vacuum cleaner performs exceptionally well on all smooth surfaces.

Miele

Comfort handle

The ergonomically designed comfort handle sits easily in the hand, making vacuuming much more enjoyable. The flexible hose attachment makes the vacuum cleaner maneuverable, putting less strain on your wrist.

Ergonomic vacuuming height

Cleaning with your vacuum cleaner set to the wrong height forces you to bend over and can really make your back ache. The telescopic suction tube on a Miele can be adjusted for a comfortable working height so you avoid straining yourself.

Six-level power adjustment

The Six-level Power Adjustment is intended for different types of surfaces, such as rugs, carpets, draper or hard floors. The intuitive graphic display indicates the power level best suited to each type of surface.

Excellent maneuverability

The three smooth-running 360° castor wheels mounted on steel axles ensure maximum stability and maneuverability for your vacuum cleaner. They are cleverly designed with a travel ramp to help you manoeuvre your vacuum cleaner easily over thresholds and around obstructions.

Miele S4 Momentum

Vacuum Cleaner

FEATURES

KEY BENEFITS

AGILITY

When designing our light-weight vacuum cleaner family, we evaluated the design from every angle, incorporating 3-point steering and a comfort handle.

- Maximum agility
- Durable bumper strip for protection.

CONVENIENCE

A whole host of practical features, the S4 Momentum is the effortlessly convenient vacuum cleaner.

- Designed with fully integrated on-board accessories
- Parking system for quick breaks
- Easy setting with +/- Foot Button

PERFORMANCE

The S4 Momentum boasts excellent cleaning performance and its compact size is particularly beneficial in smaller homes.

- An impressive 1200 W of suction power gives exceptional cleaning performance
- An operating radius of up to 9 metres (29.5 feet)

HYGIENE

The S4 Momentum has an excellent filtration system and a dustbag designed for first-class hygiene.

- A filtration system that locks dust particles in an air tight casing
- The 3.5 litre dustbag is designed to deliver optimum hygiene control
- Each bag consists of 9 layers of fleece material

RELIABILITY

Like all Miele products, the S4 Momentum has been designed and tested for long-term reliability.

- Designed for up to 20 years of use
