

# Miele S5 Continuum

## Vacuum Cleaner

All of our German engineered vacuum cleaners are quiet, stylish, and incredibly powerful. Plus their superior suction, state-of-the-art filters and HEPA certified sealed system trap 99.9% of dust particles. The S5 Continuum full-size vacuum cleaner performs exceptionally well on all carpet types and smooth surfaces.

### New comfort handle

The new ergonomically designed comfort handle sits easily in the hand, making vacuuming much more enjoyable. The flexible hose attachment makes the vacuum cleaner maneuverable, putting less strain on your wrist.

### Ergonomic vacuuming height

Cleaning with your vacuum cleaner set to the wrong height forces you to bend over and can really make your back ache. The telescopic suction tube on a Miele can be adjusted for a comfortable working height so you avoid straining yourself. Some models offer a triscopic suction tube for an even greater range of heights.

### Parking attachment on both sides of the cleaner

The parking attachment means that you can store the hose and suction tube securely on the vacuum cleaner when it is standing upright. On the S5, a parking attachment is located on both sides of the vacuum cleaner, making it equally convenient for left and right handed people. It is easy to carry and convenient for storage.

### Excellent maneuverability

The three smooth-running 360° castor wheels mounted on steel axles ensure maximum stability and maneuverability for your vacuum cleaner. They are cleverly designed with a travel ramp to help you manoeuvre your vacuum cleaner easily over thresholds and around obstructions.

### HEPA-Certified Sealed System

Combined with a 12-stage filtration means the air leaving the vacuum is cleaner than the ambient room air.

## FEATURES

<b>MODEL</b>	S5981
<b>COLOUR</b>	Soft Touch Black
<b>OPERATING RADIUS</b>	10 m (33 ft)
<b>WEIGHT</b>	17.4 lb
<b>MOTOR</b>	1200 W
<b>FILTERBAG CAPACITY</b>	4.5 L
<b>FILTER</b>	HEPA
<b>SUPPLIED TOOLS</b>	Upholstery nozzle Crevice Nozzle Dusting Brush
<b>CONTROL TYPE</b>	Electric Handle Control
<b>SUCTION WAND</b>	SET 210
<b>HANDLE</b>	Comfort
<b>APPLICATION</b>	All carpet types, all smooth surfaces

## KEY BENEFITS

### AGILITY

When designing our full-size vacuum cleaner family, we interrogated the design from every angle, incorporating 3-point steering and a comfort handle.

- Maximum agility
- Durable bumper strip for protection

### CONVENIENCE

A whole host of practical features, the S5 is the effortlessly convenient vacuum cleaner.

- Designed with fully integrated onboard accessories
- Parking system for quick breaks
- Easy setting with electric handle control

### PERFORMANCE

The S5 family boasts impressive and excellent cleaning performance for every home, large or small.

- An impressive 1200 W of suction power gives exceptional cleaning performance
- An operating radius of up to 10 metres (33 feet)

### HYGIENE

The S5 family has an excellent filtration system and a FilterBag designed for first-class hygiene.

- A filtration system that locks dust particles in an air tight casing
- The 4.5 litre FilterBag is designed to deliver optimum hygiene control
- Each bag consists of 9 layers of fleece material

### RELIABILITY

Like our famed cylinder vacuum cleaners, the S5 has been designed and tested for long-term reliability.

- Designed for up to 20 years of use
