

Miele S2 Vacuum Cleaner

Introducing the new S2000 vacuum generation. Every S2 is quiet, stylish and incredibly powerful. Plus its superior suction and state-of-the-art HEPA filtration system traps 99.9% of dust particles.

German Engineering.
German Quality.
Made in Germany.

Miele

Light-weight and powerful vacuum

At only 5.8 KG (12.75 lb), the S2 is a breeze to carry anywhere. Its compact configuration is perfect for storing in tight places, and since it is a Miele, **you get these advantages together with a powerful 1200 W Vortex™ motor that is supported by a 7 year motor warranty.**

Parking attachment

The parking attachment means that you can store the hose and suction tube securely on the vacuum cleaner when it is standing upright. It is easy to carry and convenient for storage.

Hygiene

HEPA filtration, combined with Miele's nine layer AirClean dust bag locks dust particles in for results that are cleaner than clean.

Six-level power adjustment

The Six-level power adjustment is intended for different types of surfaces, such as rugs, carpets, drapes or hard floors. The intuitive symbols indicate the program best-suited for each type of surface.

Excellent maneuverability

The three smooth-running 360° castor wheels mounted on steel axles ensure maximum stability and maneuverability for your vacuum cleaner. They are cleverly designed with a travel ramp to help you manoeuvre your vacuum cleaner easily over thresholds and around obstructions.

S2 Momentum

S2 Contour

KEY BENEFITS

AGILITY

When designing the S2000 vacuum cleaner generation, we evaluated the design from every angle, incorporating 3-point steering and a travel ramp.

- Maximum agility
- Durable bumper strip for protection

CONVENIENCE

With a whole host of practical features, the S2 is the effortlessly convenient vacuum cleaner.

- Includes three on-board accessories
- Parking system for quick breaks
- Easy setting with Six Step Dial

PERFORMANCE

The S2 boasts excellent cleaning performance, and the combination of light weight and large capacity makes it a great addition to any home.

- An impressive 1200 W of suction power gives exceptional cleaning performance
- An operating radius of up to 9 metres (29.5 feet)

HYGIENE

The S2 has an excellent filtration system and a dustbag designed for first-class hygiene.

- The HEPA filter captures 99.9% of dust particles at least 0.3 microns in diameter
- The 4.5 litre dustbag is designed to deliver optimum hygiene control
- Each bag consists of 9 layers of fleece material

RELIABILITY

Like all Miele products, the S2 has been designed and tested for long-term reliability.

- Designed for up to 20 years of use

The Miele Gallery

Miele Galleries are training and consultation centres open to the public located in three cities across Canada: Calgary, Montreal, Toronto, and Vancouver. For detailed information, please visit our website at miele.ca.
