Miele S6 Momentum Plus

Vacuum Cleaner

All of our German engineered vacuum cleaners are quiet, stylish, and incredibly powerful. Plus their superior suction, state-of-the-art filters and HEPA certified sealed system trap 99.9% of dust particles. The S6 Momentum Plus light-weight compact vacuum cleaner performs exceptionally well on all carpet types and smooth surfaces.

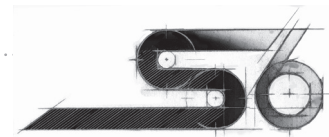

Miele

Light-weight and powerful vacuum

At only 4.8 KG (10.5 lbs), the S6 Momentum Plus is a breeze to carry anywhere. Its compact size makes it perfect for storing in tight places, and since it is a Miele, you get these advantages together with a powerful 1200 W Vortex™ motor.

Ergonomic vacuuming height

Cleaning with your vacuum cleaner set to the wrong height forces you to bend over and can really make your back ache. The telescopic suction tube on a Miele can be adjusted for a comfortable working height so you avoid straining yourself.

Six-level power adjustment

The Six-level Power Adjustment is intended for different types of surfaces, such as rugs, carpets, drapes or hard floors. The intuitive graphic display indicates the power level best suited to each type of surface.

Excellent maneuverability

The three smooth-running 360° castor wheels mounted on steel axles ensure maximum stability and maneuverability for your vacuum cleaner. They are cleverly designed with a travel ramp to help you maneuver your vacuum cleaner easily over thresholds and around obstructions.

Miele S6 Momentum Plus

Vacuum Cleaner

KEY BENEFITS

AGILITY

When designing our light-weight vacuum cleaner family, we evaluated the design from every angle, incorporating 3-point steering and a comfort handle.

- Maximum agility
- Durable bumper strip for protection

CONVENIENCE

A whole host of practical features, the S6 Momentum Plus is the effortlessly convenient vacuum cleaner.

- Parking system for quick breaks
- Easy setting with a Six-Step Dial

PERFORMANCE

The S6 Momentum Plus boasts excellent cleaning performance and its compact size is particularly beneficial in smaller homes.

- An impressive 1200 W of suction power gives exceptional cleaning performance
- An operating radius of up to 10 metres (33 feet)

HYGIENE

The S6 Momentum Plus has an excellent filtration system and a dustbag designed for first-class hygiene.

- A filtration system that locks dust particles in an air tight casing
- The 3.5 litre dustbag is designed to deliver optimum hygiene control
- Each bag consists of 9 layers of fleece material

RELIABILITY

Like all Miele products, the S6 Momentum Plus has been designed and tested for long-term reliability.

- Designed for up to 20 years of use

The Miele Gallery
